

## Announcement of the list of core energy storage suppliers

Which energy storage providers are ranked in 2025?

Bloomberg New Energy Finance (BNEF) has released its 2025 Q1 Global Tier 1 Energy Storage Provider List, and Zhejiang Jinko Energy Storage Ltd. (Jinko ESS) has once again secured a place on this prestigious ranking.

Does JinkoSolar rank on BNEF's energy storage tier 1 list?

JinkoSolar Ranked on BNEF's Energy Storage Tier 1 List! Recently, Bloomberg New Energy Finance (BNEF) released the "BNEF Energy Storage Tier 1 List 2Q 2024", and JinkoSolar has made it to the list due to its outstanding strength in the energy storage field.

Is JinkoSolar a Tier 1 energy storage provider?

JinkoSolar, the global leading PV and ESS supplier, has become a Tier 1 energy storage provider recognized by BNEF, thanks to its leading energy storage products in the industry.

How will the energy storage industry change in 2023?

As we approach the end of 2023, the energy storage industry is undergoing a transformative journey, marked by significant shifts in market dynamics, fluctuations in raw material prices, and ambitious global expansion strategies.

Which Chinese energy storage manufacturers are the best for 2023?

In a highly anticipated release, Black Hawk PV has disclosed the top ten rankings of Chinese energy storage manufacturers for 2023. Leading the pack is CATL with an impressive 38.50% market share and a robust shipment volume of 50 GWh.

What will China's energy storage battery shipments look like in 2024?

In 2024, global and Chinese energy storage battery shipments will continue to grow, and it is expected that China's energy storage battery shipments will exceed 200 GWh, accounting for about 88%.

Below, you'll find a list of the top 50 energy storage companies in 2021. ... Massachusetts, and Rhode Island, National Grid is one of the largest energy suppliers in the country. National Grid is increasingly moving toward renewable energy solutions, including battery storage projects.

It goes alongside news reported by Energy-Storage.news since 1 January from developers and investors in California, the UK, Belgium and from the local government of a Dutch municipality that have similarly made ...

On April 11, 2024, BloombergNEF (BNEF), a globally renowned research institute, released its Tier 1 list of energy storage manufacturers for the second quarter of 2024. HyperStrong secures a position on the list, as a
