

Is Germany's new solar-plus-storage innovation tender oversubscribed?

Image: Sungrow. The German Federal Network Agency (Bundesnetzagentur) has awarded 587MW of solar-plus-storage in its latest innovation tender. As has been the case in many of Germany's recent solar PV auctions, the innovation tender ended up oversubscribed, with 154 bids made for 1.8GW of capacity out of 583MW tendered capacity.

Why is energy storage important in Germany?

Success for project proposals combining solar PV with battery storage in Germany's latest multiple technology tenders for renewable energy are proof of the importance of energy storage, the managing director of German energy storage association BVES has said.

Was Germany's innovation tender oversubscribed?

Germany's innovation tender ended up being oversubscribed with a combined bid capacity of 1.8GW. Image: Sungrow. The German Federal Network Agency (Bundesnetzagentur) has awarded 587MW of solar-plus-storage in its latest innovation tender.

Ritom Pumped-Storage Plant Project - Tunneling under. The Ritom power plant in Ticino, which was built in 1920 and is located only a few kilometers from the Gotthard Tunnel, is in ...

Bulgaria's energy storage tender is open to all technologies, but most projects are likely to have proposed lithium-ion battery energy storage systems (BESS) and Malinov mentioned battery ...

Bulgaria invites public comment on 3GWh energy storage tenders . Last October, the government launched a public consultation for renewable energy generation and up to 350MW of new ...

Portugal's government has announced the outcome of an energy storage tender that will see the installation of 500 MW of energy storage capacity to support the country's energy transition. Energy storage battery. Photo by ...

The fifth tender in the New South Wales Electricity Infrastructure Roadmap - a plan to transform the Australian state's electricity system by 2040 - has awarded a record 1.03 GW/13.79 GWh of long-duration storage long term ...

Lithuania has announced a EUR 102 million (\$ 105 million) energy storage tender in a bid to procure balancing services to the transmission system operator and ensure the ...
