

When is the energy storage International Conference & Expo (Esie)?

Visit the Energy Storage International Conference and Expo (ESIE) from 10. - 12. April 2025. How often does the Energy Storage International Conference and Expo (ESIE) take place?

When is energy storage International Conference & Expo 2025?

The 13th Energy Storage International Conference and Expo is scheduled for April 10-12,2025,and will be held at Beijing New International Exhibition Center Phase II.

How many exhibition halls are there at the Energy Expo?

The expo will have 7 exhibition halls,inviting participation from power companies,power generation groups,grid companies,transmission and distribution operators,grid system operators and integrators,new energy manufacturers and investment institutions.

Why should you attend Eesa China International Energy Storage Expo?

At EESA China International Energy Storage Expo (EESA EXPO),Asia's premier energy storage exhibition,the road ahead is paved with countless opportunities. From connecting with 150,000+of your peers to doing business with 600+exhibitors,It's an exhibition that yields benefits throughout the entire year.

What is China energy storage Conference?

Organized by the China Chemical and Physical Power Industry Association and co-hosted by the Energy Storage Application Subcommittee, China Energy Storage Network, and Digital Energy Storage Network, the event is supported by over 800 organizations.

What is the energy storage global conference?

The Energy Storage Global Conference offers the opportunity to industry, researchers, and policymakers to exchange views and debate key issues faced by the energy storage sector. The 3-day conference will also explore the extent to which energy storage can help avoid dependency on fossil fuels in order to balance the electricity system.
