

Why should you attend Eesa China International Energy Storage Expo?

At EESA China International Energy Storage Expo (EESA EXPO), Asia's premier energy storage exhibition, the road ahead is paved with countless opportunities. From connecting with 150,000+ of your peers to doing business with 600+ exhibitors, it's an exhibition that yields benefits throughout the entire year.

When is energy storage International Conference & Expo 2025?

The 13th Energy Storage International Conference and Expo is scheduled for April 10-12, 2025, and will be held at Beijing New International Exhibition Center Phase II.

Why should you attend energy storage Expo?

From connecting with 150,000+ of your peers to doing business with 600+ exhibitors, it's an exhibition that yields benefits throughout the entire year. Preview the latest energy storage products and solutions, tune in to the latest industry trends and expand global business networks.

Who sponsors the energy storage Conference 2025?

As the first exhibition of the energy storage industry in 2025, this conference is sponsored by BYD and the dinner is sponsored by Sineng Electric.

What is China International Energy Storage Conference?

The China International Energy Storage Conference is a platform focusing on industrial energy storage manufacturing. Here we showcased new technologies and were very happy to see many customers coming to our booth to communicate. In the future, we will participate in the exhibition with better solutions.

When is the Shanghai energy storage exhibition / energy storage technology conference/lithium battery exhibition?

E-mail: zj_kuozhan@126.com The Shanghai Energy Storage Exhibition/Energy Storage Technology Conference/International Industrial and Commercial Energy Storage Exhibition/Lithium Battery Exhibition will be held from July 24th to 26th, 2024 at the National Convention and Exhibition Center.
