

What are energy storage items?

These items take a certain energy from energy producers, and store them into one single block. Community content is available under CC-BY-SA unless otherwise noted.

How do I use energy crystals?

You'll automatically use Energy Crystals when charging items inside the truck's recharging station--that's the little device on the right marked with a lightning symbol. Simply drop the drained item into the glowing yellow box, and the truck's portable workbench handles it from there. Good as new.

What are fixed storage and energy transfer devices?

The Fixed Storage and Energy Transfer Device are devices used to power Energy Transfer Terminals in Fontaine in Genshin Impact 4.1. Learn about Fixed Storage and Energy Transfer Devices, as well as how to use them! What are the Fixed Storage and Energy Transfer Devices?

How do I get the most out of energy crystals?

So, to make the most out of a charge, make sure to use an item that is nearly dead. Keeping Energy Crystals topped up can quickly become very expensive, so make sure you're getting the most bang for your buck. That's all you need to know about Energy Crystals!

Where can I buy energy crystals?

You can buy Energy Crystals between levels when visiting the Service Station. They're typically anywhere from 7k-15k per crystal and are restocked as you return. Unlike other consumables, there's nothing permanent about the crystals.

Do you need energy crystals for a shotgun?

For example, a Gun has six shots before it needs a recharge, whereas a Shotgun only has three. Without Energy Crystals to complement these, they become extremely limited. So, if you're splashing out on some firepower, make sure to get a couple of Energy Crystals too.

The items that have been purchased can now be used in-game. This purchase will also reflect on the In-Game Item History that is located in the navigational menu on the payment page. Your remaining Kafra Credit Points, which can be used in the Kafra Shop, can also be viewed as well. If you encounter any problems or have questions please contact the Support Team through the ...
