

Why should you attend Eesa China International Energy Storage Expo?

At EESA China International Energy Storage Expo (EESA EXPO), Asia's premier energy storage exhibition, the road ahead is paved with countless opportunities. From connecting with 150,000+ of your peers to doing business with 600+ exhibitors, it's an exhibition that yields benefits throughout the entire year.

Why should you attend Eesa Expo 2025?

600 exhibitors presented a wide range of energy storage products and solutions at EESA EXPO 2025 --- make sure you are part of it. Why Exhibit? EESA EXPO 2025 attracted 150,000 visitors seeking to gain insights into industry trends, source new products and do business with peers from across the energy storage industry.

What is China International Energy Storage Expo?

China International Energy Storage Expo, a branded event organized by the Electrical Energy Storage Alliance (hereinafter referred to as EESA), has been successfully held for two editions.

Why should you attend energy storage Expo?

From connecting with 150,000+ of your peers to doing business with 600+ exhibitors, it's an exhibition that yields benefits throughout the entire year. Preview the latest energy storage products and solutions, tune in to the latest industry trends and expand global business networks.

What is energy storage business matchmaking?

It is a premium global platform for energy storage business matchmaking, tailored specifically for system integrator, importer, distributor, manufacturer, installer, project developer & operator, OEM/ODM, investor, service provider, energy consultant and research institute worldwide.
