

When is the energy storage International Conference & Expo (Esie)?

Visit the Energy Storage International Conference and Expo (ESIE) from 10. - 12. April 2025. How often does the Energy Storage International Conference and Expo (ESIE) take place?

When is energy storage International Conference & Expo 2025?

The 13th Energy Storage International Conference and Expo is scheduled for April 10-12,2025,and will be held at Beijing New International Exhibition Center Phase II.

Why should you attend the energy storage Conference?

This influential gathering will feature high-level industry reports and high-end dialogues,creating a major platform for academic exchange and collaborationwithin the energy storage sector. The event will also place a stronger emphasis on international outreach and promotion.

What is China energy storage Alliance (Esie)?

The fair is organized by the China Energy Storage Alliance, which plays a key role in promoting and developing the energy storage industry in China. At the heart of the ESIE is the presentation and promotion of the latest developments in the energy storage industry.

How many exhibition halls are there at the Energy Expo?

The expo will have 7 exhibition halls,inviting participation from power companies,power generation groups,grid companies,transmission and distribution operators,grid system operators and integrators,new energy manufacturers and investment institutions.

What is a power industry expo?

The expo will span seven exhibition halls and welcome participation from power companies, generation groups, grid operators, transmission and distribution companies, system integrators, new energy manufacturers, and investment institutions.

50KW modular power converter

Flexible Configuration

- Modular Design, Expanding as Required
- Small&Light, Wall Mounted
- Installed in Parallel for Expansion

Powerful Function

- Grid Support, Equipped with SVG Technology
- On-Grid and Off-Grid Operation

Reliable Protection

- Outdoor IP65 Design
- Sufficient Protection Functions Equipped
