

How many students attend Harbin Institute of Technology Shenzhen?

Harbin Institute of Technology, Shenzhen (HITSZ), which was established in 2002 as one of HIT's three campuses, currently hosts over 12,000 undergraduate and postgraduate students.

Where is the Harbin Institute of Technology located?

Harbin Institute of Technology is located in Harbin, China (State Key Laboratory of Robotics and System, Harbin Institute of Technology, Harbin 150001, China).

When is the 100th anniversary of Harbin Institute of Technology?

June 7, 2020 is the 100th anniversary of Harbin Institute of Technology. In the special issue published by Nature, Zhou Yu, Academician of Chinese Academy of Engineering and President of HIT, published an article called Piloting Science and Engineering Through Innovation.

What happened on June 7th in Harbin Institute of Technology?

On the afternoon of June 7th, on the occasion of the 100th anniversary of Harbin Institute of Technology, a foundation laying ceremony of Sino-Russian joint campus of HIT was held, opening a new chapter of higher education cooperation and exchange between China and Russia. 06 Jul HIT Commencement, join us LIVE!

About LSE Harbin Langsung Electric Company Limited (hereinafter referred to as "Langsung") was founded in March, 2005, it was successfully listed on China's New OTC Market (stock code: 831593) in 2014 right after ten ...
