

How many clothes boxes can the electric storage bed hold

Should you store your stuff in the bed?

Storing it in the bed makes even more sense!#6 - A lot of storage beds don't easily show that they have storage at all - and so they can be a great place to store valuables or to hide presents (if people don't know they can look under the bed,they'll never find that stuff!)

Why should you consider buying a storage bed?

Storage beds are a great solution for bedrooms that lack square footage for a chest of drawers. They're a good reason for anyone to buy,as they're helpful for overstuffed closets or dressers,or for transferring clothes out of plastic bins hidden deep in the basement and into an actual piece of furniture.
