

# International energy storage technology application exhibition

How will China's energy storage industry grow in 2025?

Driven by both market and policy factors, the growth of energy storage is expected to be explosive, creating a strong demand for the industry's supply chain. Once again, the China Electricity Council and the State Grid Corporation of China will collaborate to host Shanghai International Energy Storage Technology Application Expo (ES Shanghai 2025).

What is Shanghai New Int'l Expo 2024?

25-27 September, 2024 Shanghai New Int'l Expo Center (2345 Longyang Road, Pudong District, Shanghai, China) The conference and exhibition theme will focus on promoting the development of new energy storage and green, low-carbon innovation of new generation power equipment. Invitation

Why should you attend the electric power exhibition?

Over 30 years successful track record and experience, it has become the largest and the most reputable electric power exhibition and has been widely recognized by global market leaders and international trade associations.

, the 3rd International Energy Storage Conference and Smart Energy Storage Technology and Application Exhibition (hereinafter referred to as CESC), From March 20 to 22, 2025, CESC will join hands with 1,000+ global energy ...

Shanghai International Energy Storage Technology Application Exhibition Date: November 18th to November 20th, 2025 :2345 Venue: 2345 Longyang Road, Pudong New Area, Shanghai ...

Shanghai International Energy Storage Technology Application Expo ?? ?? ? ...

Simply fill in the visitor registration form and present 2 name cards at the Visitor Registration Counters on-site or redeem the visitor badge. 86,000 sqm and over 2,000 exhibitors, focusing ...

The 31st China International Exhibition on Electric Power Equipment and Technology Shanghai International Energy Storage Technology Application Expo. Shanghai New International Expo Center, PR China (Hall N1-N5 & W5) 12o 5-7 English. English ...
