

Who is Kewei new energy?

Kewei New Energy, a company born for green energy, focuses on new energy technology, not only involved in the research and development, production and sales of power lithium iron phosphate battery, LiFePO₄ battery pack with smart battery management system, but also it's an overall solution supplier for solar storage energy system.

What are the applications of Kewei products?

The main applications of Kewei products are in electric vehicles for regional green travel (two-wheelers, three-wheelers, low-speed four-wheelers, regional logistics vehicles, special vehicles, special engineering vehicles), passenger cars, emergency power supply, forklifts, unmanned aerial vehicles and other energy storage system.

How do I contact Kewei new energy?

If you are interested in our products, please feel free to contact us: support@keweinewenergy.com. DOBELAY is our online retail brand. As a high-end battery brand under Kewei, continues the concept of Kewei to keep innovating, and provides customers with portable and high-quality products. You can purchase with confidence in our store.

The company's solar panels use advanced photovoltaic (PV) cells that efficiently convert sunlight into electricity, even in low-light conditions. When paired with Kewei's energy ...

Energy storage is a critical component of the renewable energy ecosystem. Kewei solar batteries are instrumental in advancing energy storage solutions, providing reliable and ...

TU Energy Storage Technology (Shanghai) Co., Ltd., established in 2017, is a high-tech enterprise specializing in the design, development, production, sales, and service of energy storage battery management systems (BMS) and ...

For questions about product after-sales, please submit information to contact us For any inquiries, concerns or website feedback about our company, you can contact us at 4009-289-345; or fill ...

On the afternoon of January 11, Jiangsu Kewei New Energy Lion307 industrial and commercial energy storage cabinet was shipped for the first time to Singapore. Today, with the ...

Zhuhai Kortrong Energy Storage Technology Co., Ltd. specializes in one-stop Solution Provider for Focusing on the innovation of electrochemical energy storage technology, integrating scientific research, manufacturing, marketing ...
