

# Kuanten portable energy storage power supply

Who is kuanten?

Kuanten Limited is a world-powerful manufacturer of switching power adapters, electronic gers, inductors, transformers, smart outlets, smart plugs including LED power supplies and RoHS compliant. We are proudly specialize in supplying globally to whole salers, retailers and even consumers.

Why should you choose kuanten power supply?

Kuanten brings to power supply special design and fast production, this advantage made us customers' 1st choice for over years.

What safety standards does kuanten comply with?

Kuanten also certifies to other international safety standards, including UL, CUL, FCC, GS, CE, CB, PSE, CCC, ICES, ECA, S-MARK, NOM, ETL, CTUVS, KC, KCC, SAA and RCM or on customer's request. Products are also designed to meet the various international EMI standards.

As a pioneer manufacturer of portable power station, Lipower offers you full range of portable energy storage solutions. From compact series of 500W capacity to heavy-duty series of 3000W or more, we deliver to you functional ...

Portable energy storage power supply is very practical in camping, self driving tour or power failure. When purchasing outdoor power supply, you need to select products with sinusoidal output waveform. If you choose a power supply without pure sine wave output, the appliance may fail or age. The output waveform is the electric wave form output ...
