

Moutai energy storage company factory operation

Does Moutai Group need an IT infrastructure resource pool?

As systems get updated regularly, it brings challenges to Moutai Group's IT infrastructure: Existing server and storage resources are no longer sufficient to carry large-scale business systems, an efficient and reliable IT infrastructure resource pool is urgently needed.

What is the industrial chain of Moutai?

The industrial chain of Moutai consists of upstream materials, mid-stream production, and downstream channels. The upstream materials mainly include sorghum, wheat, water, packaging materials, and production equipment, while the mid-stream production includes high-grade Moutai, low-grade Moutai, New Year Moutai, and Prince Moutai.

Why is Moutai a high-end company?

The high-end industry is mainly to improve the company's cultural influence. The middle market is very competitive; At the low end of the market, many consumers are attracted by the low price of alcohol. At the same time, Moutai is also threatened by some substitutes, such as beer. From 2006 to 2012, the average annual growth rate was about 20%.

How many x86 servers does Moutai have?

After the completion of the Moutai HCI resource pool, the hardware is composed of 20+ physical commodity X86 servers and switches. Nearly 500 virtual servers run on it and it can manage more than 200 third-party virtual servers at the same time.

Why should you choose Moutai data centre?

At the same time, the horizontal scalability of the HCI resource pool provides a reliable infrastructure for rapid business development and realizes on-demand deployment of the test environment. After solution deployment, the Moutai data centre has capabilities of security visibility, continuous detection and coordinated defense.

What is smart Moutai?

Cheers to Smart Moutai! Moutai (or Maotai) is known as the "national liquor" in China. At Kweichow Moutai Co., Ltd., the country's most famous baijiu (Chinese spirits) distillery, it is made from a grain called red sorghum. Moutai is served at all national banquets in China and is often presented as a diplomatic gift.
