

Will Qingdao daneng build a 90 MW AquaVoltaic farm?

China and Singapore, 23 May 2024 - SP Group (SP) is partnering Qingdao Daneng Environmental Protection Equipment Co. Ltd. ('Qingda Environment'), a leading local provider of environmental technology solutions, to invest and build a 90-Megawatt (MW) aquavoltaic farm.

Will Shandong's first green hydrogen production plant be connected to Qingdao City?

The project will be connected with a hydrogen production facility to sustainably power Shandong's first green hydrogen production plant in Qingdao City.

How will solar power benefit Shandong's first green hydrogen production plant?

Upon completion, the project will supply solar power to Shandong's first green hydrogen production plant. This will support the development of green hydrogen as a clean energy source in Shandong, advancing the province's decarbonisation and clean energy transition.
