

Special battery box for solar energy storage battery

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

Where can I buy a battery box?

EcoDirect offers battery boxes, racks and enclosures for off-grid energy storage applications in solar PV systems. These products support the most common battery types. EcoDirect.com sells Battery Boxes Racks and Enclosures at the lowest cost. Order Online or Call Us! 888-899-3509

Where can I buy a solar battery rack & enclosure?
