

Where to buy Vacheron Constantin pre-owned?

The best place to buy Vacheron Constantin pre-owned watches is at Exquisite Timepieces. At Exquisite Timepieces, you will find some of the unique Vacheron Constantin watches for sale.

What makes Vacheron Constantin unique?

Vintage touches include the "AUTOMATIC" inscription font and the Super-LumiNova® coating of the hands and hour-markers (off-white by day and lime green by night) recalling the tritium used in earlier timepieces. The caseback bears a signature commemorating Vacheron Constantin's 270th anniversary.

What makes the Vacheron Constantin Historiques 222 so special?

The finishing boasts the meticulous attention to detail that Vacheron Constantin is known for. Vertical satin brushing and polished elements are combined to create mesmerising plays of light on the crown, bracelet and bezel. Discover the Vacheron Constantin Historiques 222 luxury watch in Steel.

When was Vacheron Constantin established?

Vacheron Constantin was established in 1755 by Jean-Marc Vacheron. Country of origin: Switzerland. It is a member of "The Holy Trinity" of Watch brands and manufacturers. Nowadays Vacheron Constantin is owned by Richemont Group.

When did Vacheron Constantin reissue the 222?

In March 2022, Vacheron Constantin reissued the legendary 222, launched in 1977 for its 222nd anniversary. A 37 mm-diameter timepiece, the Historiques 222 was crafted in 18K 3N yellow gold. While retaining the distinctive design of the original 222 - along with its nostalgic charm - the 2025 stainless steel edition is resolutely contemporary.

What is Vacheron's sprung dual-gear compound system?

For this, Vacheron developed a sprung dual-gear compound system (its structure is like a sandwich, with a wheel top and bottom and a spring in the middle) that requires four times less torque than typical jumping mechanisms.
